† You must be seen by a Hampshire Dentists Clinician before joining any of our plans. Our clinician will undertake a full dental health check to determine which plan will be most suitable for you. This dental health check must be paid in full upon completion. Any pre-identified, underlying dental issues left untreated before signing onto the membership plan may not be covered. Upon joining the plan, you are paying towards your next prepaid allocation of your Dental Health Check and Hygiene appointment. Consecutive monthly payments to the equivalent value of your dental health check and/or hygiene appointment must be paid before these appointments can be redeemed.

‡ Limited to one per year. Additional emergency appointments will be charged at the normal price.

* Discount cannot be given on lab fees, orthodontics, cosmetics, facial aesthetics and dental implants. You are entitled to 10% discount of routine treatment (fillings, crowns or bridges) as soon as your first Direct Debit has been collected.

⁴ Documentation relating to our Privacy Notice and the Worldwide Dental Emergency Assistance Scheme, including assistance levels, limitations and exclusions is available to view online at <https://scheme.wdeas.co.uk/patients>
